enviro COLLECTION™

Inspired to save the planet one container at a time.

The Enviro Collection is:

- Made from sustainable bamboo, natural starches and pigments
- Wood, petroleum and toxin free
- Designed to naturally decompose to nourish the earth
- Strong, lightweight and weather resistant
- An affordable, attractive alternative to typical plastic pots

Eco-friendly doesn't mean plain, brown or boring anymore. You can make a better choice for the planet and still be stylish.

Your customer isn't "green" yet? Take the lead. These beautiful containers have broad appeal across multiple consumer segments.

Who is your customer?

- Professional sophisticate?
- Urban hipster?
- Baby boomers and ex-Hippies (aka: Retro modern and environmentally conscious?)
- Moms concerned about the planet she is leaving for her kids?

Our wide array of styles and color options lets you tailor your choices to your particular market.

The Enviro Collection features **two lines**, Classic and Mod, each with multiple shapes that come in any combination of NINE gorgeous colors. Make it fun and whimsical or classic and traditional.

"You must be the change you wish to see". Mahatma Gandhi

enviro Q&A

Lifespan?

Two years if planted; up to TEN years if used as a decorative accessory or cover pot.

Materials?

Bamboo powder, natural pigments and starches as the binding agent.

Plantable?

Not recommended.

Colors?
